

CORPVS CHRISTIANORVM IN TRANSLATION

An Anonymous Dialog with a Jew
translated by Lee M. Fields

The work is a translation of the Greek text entitled *Anonymus dialogus cum Iudaeis*, edited by José Declerck in CCSG 30. The introduction covers the textual history, historical setting, literary setting, and other matters. The translation is divided into thirteen chapters following the original structure of the book and the edition by Declerck. Brief footnotes accompany the text in order to clarify matters of translation. Indexes of Scripture, ancient documents, names, and subjects complete the work.

The source text of this volume appeared in *Corpus Christianorum Series Graeca* as *Anonymus – Dialogus cum Iudaeis saeculi ut videtur sexti* (CCSG 30). References to the corresponding pages of the *Corpus Christianorum* edition are provided in the margins of this translation.
